

## **System Running Slow? Need Tech Support?**

### **Operating System Install/Reinstall**

*On virtually any computer, an agent will install an operating system that you have purchased and perform critical updates.*

**Only \$150.00 in March and April 09**

Starting at \$225.00

### **Recover Deleted Files from a Working Hard Drive**

*Recover your accidentally deleted or formatted data from a working hard drive. An agent will transfer all files from the damaged source onto a CD, DVD or external hard drive. Hardware is not included.*

**Only \$199.99 in March and April 09**

Starting at \$259.99

### **Software Install per Title**

*An agent will install and test almost any common software package that you have purchased. Starting at \$29.99*

### **Diagnostic and Repair**

*An agent will find the cause of crashes, lockups, unusual slowness, or Internet problems. They will repair any operating system issues, remove all viruses and spyware, install critical updates, perform optimization for faster computer speed and better performance, and make sure your computer is operating properly. They will also provide an estimate for recommended hardware repairs or upgrades if needed.*

Starting at \$299.99

### **Any other issues? Just ask!**

*Our highly trained professionals can build your network, setup servers, order equipment, configure routers and wireless access points, setup printers, and much more.*

**Free 15 minute inspection! Inquire @ [joe@plugandplaytechcenter.com](mailto:joe@plugandplaytechcenter.com) or call (408) 524-1412**

*Ad hoc consulting \$150/hr (discounts available)*

*All offers valid through April 09*
